Brief Description of Arguments to be Presented:

In accordance with Forcier, the first gesture is a specific assigned gesture namely a control gesture and it executes a gesture prompt irrespective of whether they are associated with a second handwritten input.

In fact, Forcier requires the user to remap the pen actions to a different gesture class (Col.13 ¶57-60).

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
